5 Burner Built In BBQ

Stainless Steel Hooded BBQ

Features and Benefits:

| | |
|------------------------------------|--|
| Double Skinned Hood | Double skinned hood with thermostat allows cooking with the lid closed and retains more heat than other single skinned models. Great for roasting large cuts of meat |
| Fully Automatic Ignition | Safer as you no longer have to get close to the burners with lighters or matches and easier than two hand ignition |
| UV Protected Cover Included | Your BBQ will not only last longer, but it will look better when protected with the weather proof cover provided |
| Rotisserie | Perfect for roasting larger cuts of meat |
